Author's contribution:

Authors must choose a responsible for communication with the journal during the evaluation and editing process, this will not be visible in the final publication. If the manuscript has more than 4 authors, could be included at the end of this document.

Researchers declare that they are authors and co-authors of the submitted manuscript, and they are also owners of its intellectual property rights. They state that the content of the text does not infringe on the rights of third parties and that all ethical control requirements have been met. Therefore, they can take responsibility for it.

The authors accept that their name will be included in the publication, with their ORCID registration code. They also agree that their manuscript will be published in the site revistas.ort.edu.uy, in open access and under the rights of the international license [Creative Commons Attribution 4.0 International \(CC BY 4.0\)](https://creativecommons.org/licenses/by/4.0/).

In the articles, authors must express their names in order of appearance, according to the work done during its elaboration. By submitting a manuscript to the journal, authors agree to the following terms:

1. They are responsible for the submissions and the content of the articles sent to the journal Anales de Investigación en Arquitectura and guarantee the right to first publication of their work, under the Creative Commons open access license mentioned above. In this sense, they must guarantee that the article and associated materials are of their own authorship and do not infringe the copyrights of third parties.
2. They undertake to inform the Editorial Committee or any member of the editorial team, when they detect a relevant error in the published articles, in order to rectify and introduce the necessary corrections.
3. In the case of co-authorship, the percentage of participation of the authors must be included in the manuscript, and the consent of all authors of the article submitted for publication in Anales de Investigación en Arquitectura must be guaranteed.
4. In case the article includes advances of research previously presented in Conferences, Colloquia or Congresses, the Editorial Committee must be informed in due time.

Author's rights over the manuscript

1. The authors declare that the work is original and unpublished product of their research.
2. The authors declare that they agree with the plagiarism policies expressed on the Anales de Investigación en Arquitectura journal website.
3. Authors consent to the use of the Turnitin tool for plagiarism control of submitted manuscripts.
4. Authors declare to have rights and/or consent for the use of images and complementary information of the submitted manuscript.
5. The authors agree that the journal Anales de Investigación en Arquitectura may disseminate the submitted article on its website
5. The authors agree that the journal Anales de Investigación en Arquitectura may disseminate the article submitted on its website and through social networks and newsletters of the publication and of Universidad ORT Uruguay, always disclosing the name of the authors.
6. The authors declare that they are aware that they can contact the Editorial Team of the publication before or after publication, to correct errors or correct any element of the published article.
